Hi!

If you dont pay 5 bitcoin until 1. february you will be hardly ddosed! Our attacks are super powerfull (Mirai botnet). And if you don't pay until 1. february ddos attack will start and price to stop will double!

We are not kidding and we will do small demo now on just one of your servers xxx.xxx.xxx to show we are serious. It will not be strong, we dont want damage now we hope you cooperate, just small flood to show we are not hoax.
